Camp Benares,
14th December 1921.

My dear Mr. Venkatakriishnayya,

It was a very great pleasure to receive your kind letter and I thank you from my heart for the nice things which you ^{have said} ~~say~~ about myself. I appreciate them the more coming as they do from a venerable gentleman like you.

The enclosed will interest you.

Yesterday's Convocation was a great success. It was a proud day for us all to see our Maharaja taking the leading part in the historic ceremony. We return to Bangalore on the 22nd. I am thinking of going to Hyderabad and spending a couple of days there on my way back.

Yours sincerely,
